Giving Back to the Community

As a member of your community we continue to give back to the community through programs and charities that benefit everyone. Here are a few areas that I am most proud to be a part of:

M.I.L.K. (Managing Information on Lost Kids) With free child ID programs we help in the fight to reduce the number of children that are lost each year. The Willsey Agency is out in the community each month in an effort to reach each and every family with this valuable tool to keep their children safe.

MARCH OF DIMES

Farmers Insurance is one of the largest single contributors to the March of Dimes, having given over \$3.4 million this year alone. At the Willsey Agency we do our part by matching the contributions of our clients. In case you're not familiar with March of Dimes, they give all babies a chance against prematurity, birth defects, low birth weight and other threats to their health.

Farmers Also Gives back with such programs as:

THE AMERICAN PROMISE

A program designed to help our teachers in the education of our multi-cultural nation.

HIGH SCHOOL ATHLETIC SPONSORSHIP

Farmers agents sponsoring local high schools, helping to keep athletic programs alive through donations from Farmers toward athletic equipment and facility improvements.
